21.120 - TO APPROVE THE MINUTES OF THE MEETING HELD ON 14 JUNE 2021

The minutes of the meeting held on 14 June 2021, having been circulated and read, were accepted signed as a true record.

21.121 - PUBLIC PARTICIPATION

The two residents of the planning application 21/00800/FUL for the erection of 2 no. dwellings with vehicle access from Dikelands Lane at Crossfields, Main Street addressed the Councillors and answered questions.

21.122 - TO RECEIVE THE CITY OF YORK COUNCILLOR'S REPORT – FOR INFORMATION ONLY

City Councillor Anne Hook reported: -

- When a dangerously overgrown hedge on the A59, which was restricting the width of the shared foot/cycle way was reported, the reply was that it was not a council hedge so nothing could be done. After confronting Highways with the law on hedges overgrowing highways (including foot/cycleways), an apology was given. It turns out that similar reports have been going to the wrong department for years, but now will be sent to Highways to take action.
- Two disappointing planning results because of lack of site visits. Having briefed councillors that Northfield Lane was 60mph and it would be good to reduce the speed for pedestrians and cyclists going to the Rufforth/Knapton foot/cycle path, a suggestion for this to be made a condition of DPD being given approval for a development which would double Northminster Business Park was ignored because a council officer said the speed was only 40mph. Similarly, the 15m 5G mast was given approval despite two NPPC Parish Councillors

speaking against it, because the report implied it was in a sparsely populated area being 80m from any housing.

- A ward walkabout was planned for 16 July, starting at Old School Court to see if the uneven pavements from there to the White Horse could be given a treatment which could be funded by the ward committee grant. Church Lane was also visited and the drain noted for unblocking again.
- There was a multi-dept visit to Manor School in order to try to find a solution for safer walking and cycling in the area between the A1237 to Low Poppleton Lane. The issue of parents parking on yellow lines was also evident.

21.123 - PLANNING APPLICATIONS

(a) *To consider the following Planning Applications: -*

The Councillors considered the planning applications received since the June Parish Council meeting as listed below: -

Details of Planning Applications	Comments
Ref: 21/00800/FUL - Erection of 2 no. dwellings with vehicle access from Dikelands Lane at Crossfields, Main Street.	No objections
Ref: 21/01314/FUL - Temporary access road in association with sales office and associated car parking at Former Civil Service Club and agricultural land to the north of Boroughbridge Road.	The Parish Council objects to the location of the proposed access. We believe that the sales office and associated car park should be located close to the existing entrance.
Ref: 21/01417/TCA – Crown lift 1no. Cherry tree in a Conservation Area at Ashburnham Hodgson Lane.	No objections
Ref: 21/01524/FUL - Detached garden room to rear at Green View, The Green.	No objections
Ref: 21/01609/TCA - Fell 1no. Cherry and 1no. Almond tree in a Conservation Area at Grove House, Main Street.	The Parish Council objects on the grounds that insufficient information has been provided for it to make a rational decision.
